

Skaak 2015

Laerskool Hermanus Skaakklub kan terugkyk op die suksesvolste jaar nóg in die skool se geskiedenis.

Die grondslag vir 'n goeie jaar is elke Vrydag gelê deurdat bykans 40 spelers die oefeninge bygewoon het. Veral verblywend was die groot groep junior spelers wat aangesluit het. **Mnr Lemmer was elke Vrydag teenwoordig en is getrou bygestaan deur mnr André Wiehahn en mev Anna-Gretha Marais.**

Skaak is 'n volwaardige sport en dis dan ook daarom dat die jaar afgesluit is met 'n geskikte Laerskool Hermanus Skaaktoernooi.

The aim is to cement chess as an important sport at our school. With this in mind, we invited the rugby, cricket, hockey, netball and tennis teams to compete against our Junior and Senior Chess teams. We want to, once and for all, remove the stigma of chess as a “cultural activity” and want it to be acknowledged as a true sport that deserves its place among the so called “glamour” sports of the school.

Hermanus Primary made history when 10 players were selected for the Overberg Chess Teams while 9 players achieved provincial colours. These 9 stars will represent Boland Junior Chess at the Southern-African National Chess Championship in Cape Town at the start of the New Year. Meya Snyders, Seth Adams, Mlibo Mfundisi, Celest Botha, Handré Krugers, Philip Coetzee, Cobus Marais, Anri Potgieter

and Inga Mfundisi will fly the Hermanus Primary flag with pride at the Nationals!

Laerskool Hermanus het verder geskiedenis gemaak deurdat ons skaakspan Curro Durbanville as kampioene ontthron het by die jaarlikse Curro Hermanus skaaktoernooi! Voorwaar 'n prestasie!!

Daar kan dus met groot trots en dankbaarheid teruggekyk word na die jaar wat verby is, terwyl ons met groot verwagting uitsien na nog 'n suksesvolle skaakjaar in 2016.
