

Redenaars / Public Speaking

Koördineerder: Mev. A. le Roux

- Redenaars word vanaf Graad 1-7 aangebied. Leerders in die grondslagfase word deur hul onderwyseresse geselekteer na afloop van mondelinge wat in die klas plaasvind.
- Selfvertroue, duidelike uitspraak, oogkontak en wys dat jy glo in wat jy sê, is onder andere van die kriteria wat in ag geneem word hiervoor.
- Vanaf Graad 4 – 7 kan leerders vrywilliglik deelneem.
- 'n Interne Skoolredenaars geleentheid vind jaarliks plaas.
- Laerskool Hermanus neem ook jaarliks aan die AKTV-Redenaarskompetisie deel. Hier wys ons ook male sonder tal dat ons leerders puik kan redeneer.

Public Speaking

Coordinator: Mrs A le Roux

- Public speaking is offered at our school from grade 1 – 7.
- Foundation Phase learners are selected by their class teachers, after careful monitoring, during class orals.
- Self confidence, clear intonation, eye-contact and the ability in convincing, are all factors that are taken into consideration.
- Grade 4-7 learners are invited to participate on a voluntary basis. Learners are given a theme from which they may choose a topic. Learners are expected to convince the audience of their opinion by discussing the reasons which support their opinion. They must also make use of references from reliable resources to validate their argument.
- An internal Public Speaking event take place annually. This event is free of charge.
- We hope to inspire as many of our learners to participate and thus create an opportunity to build self-confidence and improve their ability to speak in front of an audience.

Public Speaking

Public Speaking:

The process of speaking to a group of people in a structured, deliberate manner intended to inform, influence, or entertain the listeners.

(Wikipedia)

Benefits of Public Speaking

- Give the speaker an incredible amount of confidence
- Boost leadership skills
- Heighten ability to read and understand other people
